PROGRAM: This year's Leadership Conference will have three primary components to it:

ENGAGING THE DISENGAGED... From the beginning of time, every community, organization and gathering of human kind has had a cross-section of people who do not appropriately contribute to the advancement of the group. Our Chapters are no different. This program is about inspiring and encouraging members in this cross-section to become more engaged, leading to a more productive Chapter and a more effective experience for all.

OPEN NETWORKING... Over the lunch period, you will be able to enjoy the opportunity to network with other member of AmSpirit Business Connections.

THE FORMULA FOR SUCCESS... Everyone wants more success. Everyone. Few know how to achieve it. There is, however, a blueprint for it and it does not involve smarts, looks or luck. This program will reveal and examine this formula as well as inspire a discussion as to how you can apply it to your life, business and Chapter.
